From Screens to Souls

WVBS is reaching incarcerated souls through the Pando and Edovo prison apps. With these tools, doors are being opened behind bars, giving inmates access to sound, Bible-based teaching and the truth of God's saving grace. With over 1.8 million souls in U.S. prisons, we have an incredible opportunity to reach hundreds of thousands. You can be a vital part of this mission by simply sharing it with those involved in prison ministry.
