

SEE WHAT THE LORD HAS DONE FOR HIS CHURCH

We are amazed at how the Lord has used the WVBS supporters, teachers and workers to reach millions of lost souls around the world with His gospel.

Online Resources

In 2018 alone, online programming was accessed or viewed more than 7 million times, with almost 1 million hours of viewing. Starting in January 2018, view counts totaled a little over 8,000 per day, and grew steadily so that by December, view counts were over 30,000 per day.

Judgment Day

A practicing attorney looks at what the Bible says about Judgment Day. On that day, as in trials here on earth, we can have a defense – a lawyer who is our perfect Advocate. He knows the Judge, understands the prosecutor, and died to set us free. Study with [Gary Massey](#) on this important subject. Additional Lesson: "Christians and the Government" (Each lesson approx. 30 mins.) Bonus Video: "God's Justice" (2 min.)

A Patient Man from Uz

Through the life and story of Job, God gives us amazing insight into the problem of pain and suffering. By putting this story into rhyming verse on a child's level, this short video (adapted from Kyle Butt's *A Patient Man from Uz*) offers an easy to understand resource for teaching children ages 2-10 how to handle tough times.

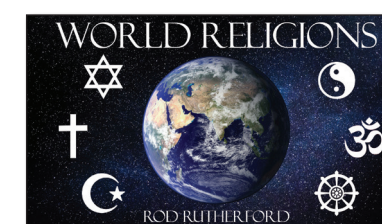

BLP #11: The Power of Jesus in Galilee

Complete with epic footage of the Sea of Galilee and compelling reenactments, The Power of Jesus in Galilee is a vivid and powerful documentary highlighting the miracles of Jesus in and around the ancient city of Capernaum and its environs. From the exploration of ancient synagogues to the middle of the sea, BLP filmmakers take you on a journey to where Jesus demonstrated his power over disease, demons, and the forces of nature.

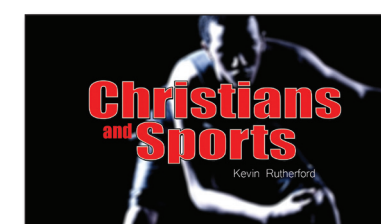

Beyond the Stars Program

Every clear night, humanity is treated to an overwhelming celestial show. Twinkling stars of all varieties fill the sky as the heavens declare the glory of God. What is beyond the stars? Branyon May (Ph.D.) leads viewers through our Solar System, from planet to planet, as he enumerates detailed characteristics about our Cosmos, as well as evidences pointing to our Creator.
