Dragon Myths & Dinosaur Descriptions

Watch online at video.wvbs.org

If dinosaurs and humans ever lived on Earth at the same time (as Genesis 1 implies), then it is reasonable to expect that the ancients would have told stories of seeing and possibly interacting with these creatures. In truth, these stories are precisely what history records. Join **Eric Lyons** as he discusses the logical connection between dragon "legends" and dinosaur descriptions.

God Made The World - An ebook video for Early Readers (K-2nd grade)

Watch online at video.wvbs.org

One of the most important things that children can learn is that God created the World. He made the Sun to shine and the stars to twinkle. He created the fish that swim in the seas and the birds that fly in the air. Last, but not least, He made the first man and woman - Adam and Eve. Share God's amazing work with the children in your life through this beautiful video book written by **Kyle Butt** and narrated by **James Cammock**.
