FROM WVBS

Delivering God’s Word to the World

We know from Romans 1:16 there is power in the Gospel, and we are told in Ephesians 5:26 that the word cleanses us. As you can see from the excerpts above, the materials you are so lovingly providing are creating change in the lives of many all over the world!

Here in America, we are experiencing difficult times due to COVID and the restrictions that have been in place, but it is far worse overseas! Most of our brethren have very little of this world’s goods, yet their joy can be seen in every line.

causing already difficult economic hardships to be exacerbated. Yet our brethren overseas are still able to rejoice by all the wonderful Bible study materials they are receiving from you!

They are using very creative ways to still get the Gospel out and to equip the saints. Some are using Zoom to interact with their members, while others are calling each other via WhatsApp. While they are in great need, you can still hear their joy in the Lord and their thankfulness for what they do have; it is truly humbling!

None of this would be possible were it not for your ongoing support of the CCDF. On behalf of all who are benefitting from your love, **THANK YOU!**

To God Be the Glory!!!
